To whomsoever it may concern.

This is to certify that **Mr Anirudh Panda** has effortlessly contributed to our program **GirlScript Summer of Code 2021** as a part of the **Organising Team**. They had devoted themselves to the open-source program and worked diligently on making the functioning of this program smooth.

Their dedication and passion for working as a team have got them this far. They worked incessantly across various domains and volunteered for several initiatives throughout their tenure.

Their presence was of value to us. Their contribution has made GSSOC '21 such a great success.

We are very impressed by their work ethics and strongly recommend them for roles that require good technical knowledge, teamwork, communication skills, and responsibility.

We wish them the best in their future endeavours.
